Thought of the Week

Temper is what
gets most of us
into trouble.

Pride is what
keeps us there.

The Importance Of Faith

"A man lives by believing something, not by debating and arguing about many things."
-Thomas Carlyle.

The need to be a people of faith can never be overestimated. Faith causes us to push forward in the face of pain, difficulty, uncertainty, doubt and struggles. Our faith becomes the "fuel" that keep us going when quitting would be much easier.

So important is faith, that the author of Hebrews teaches us that one must have it in order to please God. In Hebrews 11:6 we read, *"But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him."* To have a relationship with God that is sound and secure we must have faith!

In the end, it will be our faith that will make the difference. Many may know about God and Christ, but only those who through faith have trusted in God and have been saved through Christ, will come to spend eternity with them. Our faith leads us into the baptismal waters and into a life of service (James 2:17).

Make sure you take the time to grow your faith. Time spent in God's word will help accomplish this (Hebrews 10:17).
Brotherly, Don
