A Very Merry Heart?

It has been estimated that the average person laughs 17 times in one day. Based on this, where would you come in? Are you average? Would you say you are above average? Could it be that based on this statistic you are below average? The writer of Proverbs 15:13 agrees with the importance of laughter. He writes: *"A merry heart makes a cheerful countenance but by sorrow of the heart the spirit is broken."* How true!

A man was once asked to pick three Christians that had been placed in a group of fifteen people. Without hesitation, the man picked all three Christians. When he was asked how he was able to do it so fast, he replied, "I looked for the three people that had the expression of sucking on a sour pickle!" How sad this is, but at times so true! As Proverbs 15:13 teaches, we will only have a cheerful countenance if we have a merry heart. Is your heart merry? Do you make time in your day to "have a good laugh?" I hope so!

Each of us would benefit by taking the time to consider where we are in the "laugh category". As we face a new week, let's set a goal of being above average in laughter!

Brotherly, Don

News and Notes

The **Winter Quarter** for our Bible classes begins today. We will have a brief **recognition program** before class this morning. Continue to encourage our young people concerning their attendance and daily Bible reading/study. We have a large number who have done well this past quarter. Let them know that you appreciate them!

Our **Holiday Fellowship** will be December 11 following the evening worship service. Bring plenty of finger foods and your favorite "holiday goodies." **Group 1** will be in charge of set-up/clean-up. This group will be headed up by Wesley and Peggy now. Make plans to attend!

The monthly **Men's Business Meeting** will be December 18 at 4:30. Mark your calendar to attend this meeting!

Visitation Night will be Tuesday at 6:00. We will also meet on December 13 for visitation night. We will **not meet** on December 20 and 27, but will resume on January 3. Mark your calendars accordingly. Join us this week and the next to sign cards and then to go out visiting!

Youth News

Are you interested in **riding in a parade**? Wesley will be sponsoring a float (or two) to advertise for his business in the Piedmont parade on December 10. Any of our kids (any age) who would like to ride are invited to do so. The younger ones will need a parent to ride with them. Please sign-up on the youth bulletin board by today, and see Crystal or Ashley with questions. Anyone who is going will need to meet at the **Moonville McDonalds** at 9:00 AM. We will eat (if you like) and travel together from there to the parking area.

We will be working on a **Holiday Craft** and **special project** December 10, 1:30-3:00, at the building. This is for 3rd grade and under, but any older kids are welcome to come and help the younger ones. If you have any questions about this craft and project, please see either Crystal or Ashley.

"Sympathy"

Think About It...

One day my young daughter was late coming home from school. When she arrived, I demanded, in my upset tone, that she explain. "Mommy, I was walking with Katy. She dropped her doll. It broke into lots of pieces." "Oh honey," I replied, "you were late because you helped Katy pick up the pieces of her doll to put them back together?" Her young and innocent voice said, "No, Mommy. I didn't know how to fix the doll, I just stayed to help Katy cry."
